Educating the mind without educating the heart is no education at all. We at St. Mark's Girls Sr. Sec. School believe in the power of education and take the onus of empowering the nimble minds of young girls and turning their mirrors into windows.

It is a matter of immense pleasure that our sincere efforts in this direction were acknowledged as we bagged the **Sixth Position - Delhi Region** and a **certificate of Standing Girls Day Schools** by the **Education World India School Rankings 2016**.
