Dear Children,

Summer Vacation is synonymous with fun and frolic, playing for long hours, exploring new places and much more. But, dear children, there is a lot more you can do to make your vacation interesting and meaningful. We have planned some interesting activities. So, get ready to enjoy your summer vacation!

Here is an “**ACTIVITY TREASURE BOX**” for you. All the best and have **FUN!**

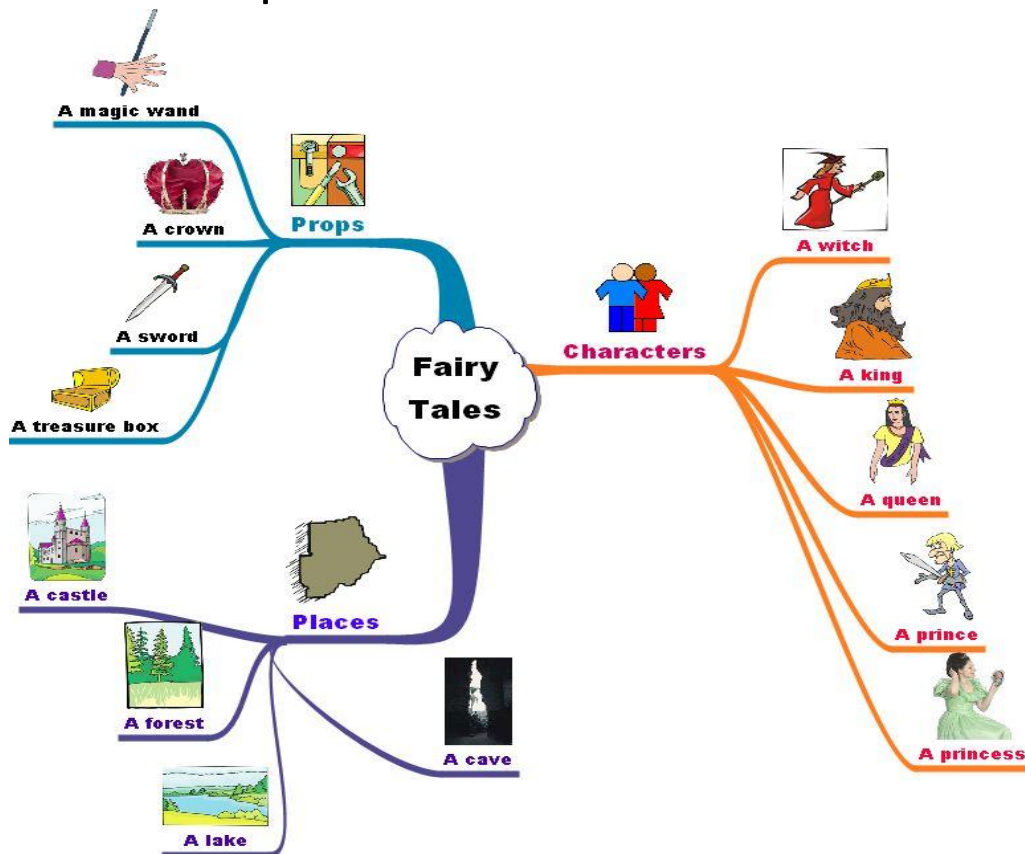

### General Instructions:

- \* **Walk Together:** Go for walks with your family. You will realize you have two of the God's greatest gifts i.e NATURE and your FAMILY. Thank God for these gifts.
- \* **Grow plants** as they are an integral part of our lives. You can also create a small kitchen garden.
- \* **Care and Concern:** Help your parents, grandparents and even your younger brothers and sisters.
- \* **Watch educational and meaningful T.V programmes** on Animal Planet, Discovery Channel, National Geographic Channel.
- \* **New Words** – Learn 5 new English words every week. Learn their meanings and frame sentences using those words. Write them in a notebook.
- \* **Play Outdoor Games:** Computer games are good. They sharpen your intellect. But what about the rest of your body? You need some physical exercise too. So cycle, play badminton, cricket, hide and seek - anything that will make you RUN.
- \* **Take a printout of the worksheets and complete them neatly. \***

## Maths Activity 2 - Nature Scavenger Hunt

A nature scavenger hunt could include looking for objects such as rocks, leaves, pine cones, bark, sticks, or feathers. You can look for items classified by shape (circle, triangle, square), color, or texture (smooth, soft, rough). Photos of items can be glued or drawn on a piece of paper and then can be shared with friends.

## General Awareness Activity 1 –

Depict the five sense organs using clay. (Be creative)

## General Awareness Activity 2 – Walking Water Rainbow

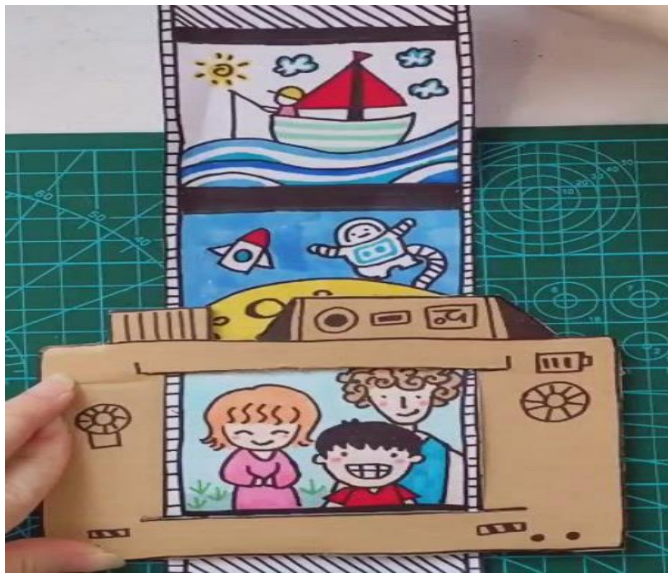

### Material Required

- 1) 7 glasses
- 2) Red, blue and yellow food colours
- 3) Water
- 4) 6 Tissues

- First place the seven cups in a row and fill up the 1<sup>st</sup>, 3<sup>rd</sup>, 5<sup>th</sup> and 7<sup>th</sup> cup with water completely. Leave the rest of the cups empty.
- Add 4 drops of food colour as follows:
  - First cup - red food colour
  - Third cup - yellow food colour
  - Fifth cup - blue food colour
  - Seventh Cup –red food colour
- Fold over 6 pieces of tissue length wise. Place one half of the tissue into each cup so that one part of the tissue is in a cup of coloured water and the other end is in the empty cup. Repeat these steps until there is one end of tissue in each cup.
- Now is the time to wait and watch. The colours will begin to crawl up the tissue and flow into the empty cup. This dripping water will mix with other colours in the empty cups to create a rainbow.
