“Every day is a chance to learn.”

Holiday Homework is time for activity and fun. It is an opportunity to spend quality time with your little ones. The students should be encouraged to speak in English at home and revise all the concepts taught in the class.

**FUN ACTIVITIES**

Have at least two meals together with your children. Teach them the importance of the hard work done by farmers and ask them not to waste their food. Let them wash their own plates after every meal. Children learn dignity of labour from such activities.
