

Principal's Message

I welcome each and every one of you to the beginning of a new school year 2018-19. This school year will be yet again a year of setting and reaching attainable goals, working harder and taking our achievements to great heights. As a Principal, I am here to support all of you to ensure you reach your fullest academic potential. Your teachers and I look forward to working with you, the parents and the members of the community to provide a high-quality education that you all deserve.

Once again, this year, you can look forward to a highly challenging academic program and I am confident that all of you have the capacity and ability to face all the challenges. I am sure you will be prepared for the demands of the real-world to become productive citizens, become our future leaders, and contribute something positive to the community.

On behalf of everyone at our school, I want to again welcome all of you to this new academic year. May you have a great school year!!
