

To instill and spread the firm resolve of preserving and protecting Nature for a prosperous and peaceful world and to celebrate symbiotic bond between humans and Nature, Our school participated in International environment Olympiad organised by City Montessori School, Gomti Nagar II. It was an online version of International Environment Olympiad virtually from 19th to 22nd January 2021. Students of various countries of the world and various states of India participated in this Olympiad. In spite of the fact that this academic session has not been the normal with all the disarray happening in the world due to COVID-19, our students participated in the following events:

#### **PRIMARY CATEGORY**

1. Recycle for Life Cycle
2. The Hue Story
3. Fantasy Carnival

#### **JUNIOR CATEGORY**

1. Ecosperity
2. Ode to Nature

#### **SENIOR CATEGORY**

1. Website Design Competition
2. Imagineering My Future
3. Mysteries of Nature

#### **SCHOOL CATEGORY**

1. Shutter & Quill
