

## Students of Class VI take part in a video conference with students of Kogaya Elementary school, Japan - (20 May 2021)

In these pandemic times, since physical movement is not possible, students of Class VI took part in Virtual International Conference with students of Kogaya Elementary school (Japan). The conference took place on 20 May 2021 where students got an opportunity to make new friends from another part of the globe.

To lighten the mood during these stressful times students of Kogaya Elementary school presented a dance performance followed by a presentation by grade VI and VII students.

Kriday Shamra, Harshil Kapoor and Avni Sharma from St Marks School sang songs to cheer the spirit and lighten the heart.

Students had an enriching experience as they got to learn about the Japanese culture and also got a chance to share their experience about the pandemic.

The meet concluded with students and teachers sharing their experience of holding the conference amidst the pandemic and wishing for good health for everyone.
