TABLE TENNIS TOURNAMENT AT RAMJAS

"Never let the fear of striking out stop you from playing the game." - Babe Ruth

To be able to invest tremendous devotion into a sport, to be uncertain of the victory and yet put everything on line for a single match is a commendable quality in itself. This is what makes a student a sportsman. Our students have always participated in every sports event with unyielding vigour and veracity. To add to it, our school has always been extremely encouraging of a student's development in both academic and extra-curricular fields. Recently, the students of our school participated in the Ramjas Inter-School Table Tennis Tournament which was held at Ramjas Public School, Day Boarding, Anand Parbat. The duration of the tournament was 4 days i.e. from 21 April 2014 to 25 April 2014. Our T.T champions once again brought laurels to the school. The following students participated in the event

QUIZ ON ANIMAL KINGDOM

Animals affect everyone's life. Whether you are an animal-lover, animal-hater, animal-eater or animal-saver, their presence is important. The students of our school dived into the amazing Animal World on 28 August 2014. Students of class 5 were made to give their brains a jog when they were quizzed on animals. Four teams with five participants each participated. The girls were tested on their knowledge about various facts on animals. There were 7 rounds and every team answered enthusiastically. The quiz helped the students increase their knowledge about animals. Mahika Gupta, Mansi, Tamana Raghav, Srishti Punj and Saloni Aggarwal of Team D representing class 5D stole the show by winning the quiz.

MANAVSTHALI MATHS TALENT EXAM

Our enthusiastic students receiving marvels for their excellence in the Manavsthal Maths Talent Olympiad

Good may be many but it is excellence that one ultimately strives for. A cup of aptitude, a spoonful of understanding and a pinch of logic; these are all the elements required to perfect the recipe of intelligence. In another such endeavour by our school, the meritorious students took part in the Maths competition organised by Manav Sthali School, Rajinder Nagar. The competition witnessed a dawn of empowered minds. It provided an apt and well deserved platform to the students for exhibiting their intellect in the 'intimidating' subject. Our young mathematicians who managed to prove their mettle were :

- 1) Jhanvee (certificate) VI
- 2) Sneha Matta (certificate) VI
- 3) Kajal Gupta (certificate and medal) VIII

SPELL VOCAB

A man with a scant vocabulary is almost certainly to be a weak thinker. The richer and more copious one's vocabulary and greater one's awareness to fine distinctions and subtle nuances of the meaning, the more fertile and precise is likely to be one's thinking. For them, the knowledge of words and the knowledge of things grow together. If you don't know the words, you don't know the thing. The power of your speech depends upon the words you choose. And that ultimately defines your personality. On 25 August 2014, Class VIII had a vocabulary quiz in which all of them proved their mettle. A good competition of 5 rounds took place that forced the young geniuses to hack their brains at their utmost level. The rounds included double clue and single clue round, the idiom and collective nouns session along with rounds demanding spelling of the asked words. All the students along with the audience participated very well and gave a wonderful performance. Surely, we will see many great writers emerging in the future amongst these spell vocab challengers!

COMEDY PLAYS

Our school organised plays by the students of class VI on Friday, 22 August 2014. The theme was comedy which was intended to evoke laughter. Comedy in general contains elements of surprise, incompatibility, conflict and the effect of opposite expectations. Plays presented were 'The Dear Departed', 'Chilli Pepper Chicks', 'Villa For Sale', 'Ambition' and 'A Frog Too Far'. Students looked beautiful and acted with full zeal and enthusiasm. The Principal Ms. Sheena appreciated the efforts of the students and teachers. She also thanked the parents, without whose support the event would not have been possible.
