

OUR FRIENDS FROM GREECE

Our school hosted 10 student delegates from The 9 th General Lyceum of Athens for a home stay programme. They were accompanied by their Principal, Ms. Ioanna Psina, their Vice Principal, Ms. Tereza Rozaki and their Maths teacher, Mr. George Rent.

The main objective of this Inter-Cultural Homestay Programme was to promote cross-cultural learning and greater mutual understanding between the two nations , thereby strengthening the inter-cultural bonds between Asia and Europe. The delegates enjoyed the warm hospitality of the Indian hosts, feasted on Indian delicacies and also got a taste of the Indian lifestyle. The Greek students and teachers attended English and Maths classes, which helped them to understand the Indian Education System better. They participated in Art and Dance Workshops, learning traditional Indian art and dance forms. They also learnt recycling of waste paper during the Paper Recycling Workshop, getting a hands on experience of recycling. The delegation was taken on a tour of Delhi during their stay here , whereby they visited some of the monuments like the Outub Minar, Lotus Temple, etc, getting a glimpse of the heritage of Delhi. They also went for a one-day tour to Agra and visited the famous Taj Mahal and Agra Fort. The Greek delegates had unique experiences, celebrating birthdays and attending wedding ceremonies, thus getting acquainted with the Indian culture.

SPORTS DAY (SEEDLING, SAPLING AND CLASS I)

"Gold medals aren't really made of gold. They are made of sweat, determination and a hard to find alloy called guts." Our school celebrated its Annual Sports Day for classes Seedling, Sapling and I on 13 February 2014. The little toddlers participated zealously in different races. All the four houses- Nehru, Shastri, Patel and Gandhi-participated in the event with great energy and a healthy competitive spirit. Parents were also invited who cheered for their kids and boosted the morale of the participants. The event started with the 100metre race. Students from all the classes ran on the track with all their heart and might. The Umbrella Race and Mask Race saw students of class Sapling contesting with each other to win the race. The Fruits and Vegetables Race was a fun delectable race, where kids had to collect fruits and vegetables in basket and run to the finishing point. In the Parents Race, the mothers had to grab chocolates with their mouths without using their hands and rush to the finishing line. Hoopla Race, and Cone and Ball Race were organised for class Sapling. The students left everybody spellbound. It was amazing to see kids galvanizing into action on the track and quickly collecting the ball in their cones and running.

The little kids exhibited their building skills when they ran on the track, collected boxes, built a pyramid and reached the finishing line, while the kids' fathers contested with each other by stepping on small chairs kept on the track and running to the finishing line. Bean Race, Flag Race and Obstacle Race were organised for class I. The event was full of energy and high spirits. The students gave spectacular performances, which spoke of discipline and sportsmanship.

ANNUAL SPORTS DAY (JUNIOR AND SENIOR)

"The glory of sports comes from dedication, determination and a desire to win. Achieving success and personal glory has less to do with wins and losses than it has to do with learning and not quitting even after losing." Keeping this noble thought and the spirit of sportsmanship in mind, our school organized the Annual Sports Day for its talented and sporty students. The Annual Sports Day was held on 18 December for the juniors and on 19 December 2013 for our senior students.

This much loved and awaited event saw the active participation of the students who participated in it eagerly. Various events like 100 metre race, Rolling the Mat, Relay, Hoopla race, Skipping race, Balancing the Book and Marble race were held. The students participated willingly and exhibited the best of their talents, sportsmanship, determination and hard work.

Keeping in mind that our greatest glory is not in winning but in rising every time we fail, the students energetically ran in the races. The audience was as enthusiastic as the participants were and cheered their respective houses. Nehru house emerged as the winner, followed by Gandhi, Shastri and Patel house. The programme ended with an inspiring speech given by the Vice Principal, Ms Sabina Shergill.
