

EXCURSION TO ADVENTURE ISLAND

Our young adventurers posing for a photo shoot.

All work and no play makes Jack a dull boy. Undoubtedly excursions are needed to break free from the monotonous and humdrum routine of daily life and, relax and refresh one's mind and soul. In its pursuit to provide students with the much needed break an excursion was organised for the students of classes XI and XII to Adventure Island on 21 October 2015. The students thoroughly enjoyed the day out and relished each and every moment. They enjoyed various rides and joyously indulged in the rain dance. It was indeed a memorable experience for the students and a memory that will stay in their hearts forever.

PROJECT UDAAN

Our teachers giving wings to the under privileged minds with Project UDAAN

No one has yet fully realized the wealth of sympathy, kindness and generosity hidden in the soul of a child. The effort of true education should be to unlock that treasure. The potential of some wonderful children remains untapped because they are deprived of their fundamental right to get educated. Keeping this in mind, our school has initiated Project UDAAN in which basic education is provided to the underprivileged children of the society. The genius minds and creative artists trapped in the clutches of poverty are emancipated through education. Giving wings to their imagination, some teachers and students of our school are teaching the children of Jwalapuri Camp No. 5 who are in the age group of 6-13 years. It is an ongoing project through which we hope to make a change in the life of these children.

I-MAGZZ-MAKING MYSELF HEARD

As a part of the AEC- Net program, almost 100 students of classes 10 and 11 of our school recently participated in a Global project titled- "I-MAGZZ-Making Myself Heard", initiated by St. Mark's Sr. Sec Public School, Meera Bagh. (The same was also taken as an ISA Activity) .It gave the students a platform to voice their thoughts and opinions on topics of their choice in the form of poems, presentations, posters, videos and photographs. The project enlightened the students about the culture and heritage of various countries as well as bringing forth some forgotten facts about their own country. The teacher responsible was Ms Vaneet Kaur. The project acted as a cyber-classroom shared by students and teachers to build stronger bi-regional networks and partnerships in the course of exchanging their thoughts. The young minds participated in many activities that helped them think out of the box, one such being the "I-magzz poem", where the students honed the skills of Frost and flared their writing skills by creating mesmerizing verses expressing their gratitude towards this project. Another activity titled "The multi lingual Thank you Tree" provided ebullience to the students where they posted different words in different languages. Moreover, the student participants collaborated together to design the cover page of the magazine which was printed and a copy was sent to each participating school. The best articles and blogs of all the participating schools were printed in the magazine.

SPORTS ARENA

INTER SCHOOL LAWN TENNIS TOURNAMENT

It's not whether you get knocked down; it's whether you get up. - Vince Lombardi

Patience is a virtue which is best taught by a sport. The patience to lose with dignity and the patience to win with humility. The patience to give your best even when the odds are against your victory. Even the best sportsman like Rafael Nadal and Roger Federer understand the need to remain grounded and not walk with their heads in the clouds. What better a teacher can we ask for? In order to make our students aware of how they can evaluate themselves both at a physical and a mental level, our school enrolls them into different events. The young tennis champions of our school participated in the Inter School Lawn Tennis Tournament held at Modern School. The students brought back laurels to the school.

The following students bagged the third position in the Junior Category.

NAME	CLASS	POSITION
RHYME BHARDWAJ	V C	III
NIRAVNI GAUTAM	V D	III
PALAK GAUR	V A	III
AGAM PREET KAUR	V A	III

Winners at the Inter School Lawn Tennis Tournament.

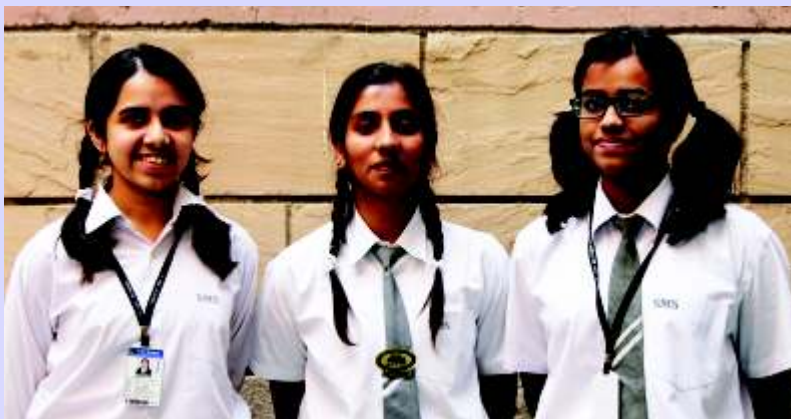

The middle school students bagged the first position.

MAHARAJA AGRASEN TABLE TENNIS COMPETITION

Students who brought laurels to the school at the Maharaja Agrasen Table Tennis Competition.

"Winners never quit and quitters never win." Inspired by this, the students of our school took part in the Inter- School Table Tennis Tournament held at Maharaja Agrasen University in the month of November. The students brought laurels to the school by winning prizes. The students of class XII, Nandini Kaushik, Namrata Pandey and Aakarsha Handa secured the 3rd position at the event. Also, Nandini bagged the 3rd Position in the Singles event, and Aakarsha and Namrata bagged the 2nd prize in the doubles event. The students received a cash award of Rs. 1100 from the University.

ATHLETICS (CBSE CHAMPIONSHIP AND ZONALS)

Agility is an indispensable trait in the life of a sportsman. Without it, one can never aspire to go long distances. Few are fortunate enough to be born with the art of being nimble or being quick on one's feet. This inborn ability is further channelized when one participates at competitive level. In order to do so, the students of our school participated in the CBSE Athletics Championship and Athletics Zonals. They brought back laurels to the school.

Mahima Negi bagged the I position at the Javelin throw Zonals.

Winners at the CBSE Athletics championship.

WINNERS

NAME	EVENT	CLASS	POSITION

Vaishnavi bagged the I position at Shotput Zonal.

INTER DISTRICT TABLE TENNIS COMPETITION

When students come back from a competition or a match smiling from ear to ear and pride resting on their brow, the school flag raises itself a little higher. The Table Tennis team of our school consists of students from all age groups-the juniors, the sub juniors as well as the seniors. The students have once again won accolades in a number of matches that they played. Our school has always tried to instill fair play and hard work in the minds of the students. As they say, integrity and veracity always pay off.

Students who won accolades at the Inter District Table Tennis Competition.

Muskan Jha	Viii B

BASKET BALL ZONAL CHAMPIONSHIP

“Talent wins games but teamwork and intelligence can alone win championships.” The students of our school participated in the under16 Basketball Tournament held at Bosco Public School on 9 September 2014. They displayed a great amount of vigour and participated with a zealous attitude. Our school has taught the students well that winning is not absolute and an arduous input is what counts. This is what kept our students going despite tough competition. The students secured the third position.

Winners at the Basket Ball Zonal Championship.
